Welcome Professors!

I would like to invite you to come and check out all of the new and exciting resources available in the EAP (English for Academic Purposes) and Academic Support lab!

The EAP Lab (Room 2120) is ready to provide full academic support for students by offering a state of the art computer lab, as well as tutorial services for individuals or groups. With around 56 work stations, the EAP Lab is a fully integrated work area, equipped with the most current instructional software and printing services available for professors and students to work at their leisure and make the most of these resources.

The lab provides access to and assistance with computers and educational software designed to help students meet their course needs. EAP writing students will have access to MyEnglishLab at https://myenglishlab.pearson-intl.com/login or www.myenglishlabhelp.com/login and Speech students will have access to Rosetta Stone at https://admin.tellmemorecampus.com upon buying the access at the Bookstore.

In addition, I would love the opportunity to visit your classes and explain you more about the EAP Ambassadors (EAP students' volunteers), MyEnglishLab and Rosetta Stone programs. You may schedule a visit to your classroom accordingly or bring your classes to the lab at your convenience.

I will be available in the EAP Lab: **Mondays and Tuesdays: 8am-1pm, Wednesdays and Thursdays, 4pm-9pm & Fridays: 11:30am-4:30pm.**

For additional hours, students can visit the Academic Support Lab (Room 2121) with friendly staff, 80 work stations, a Writing tutor and an extended schedule.

The schedule for this lab is as follows:

Mondays through Thursdays: 8am-9pm

Fridays: 8am-4:30pm & Saturdays: 9am–2pm

Sincerely,

Bertha Cabrera, Instructional Assistant
Academic Support Lab, West Campus
